

CHRISTINA CUNNINGHAM

SMOOTH JAZZ · ADULT CONTEMPORARY · VOCALIST

BIOGRAPHY

Christina Cunningham is a vocalist whose sound lives where timeless soul meets contemporary R&B. Smooth, sultry, and deeply sincere, her music is made for candlelit rooms and long drives home.

Inspired by the elegance of Anita Baker and the poise of Nancy Wilson, Christina brings rich tone and storytelling grace to every lyric, carrying the jazz-lounge tradition into today's adult contemporary sound.
